Mr. Wallis, Band Director Mr. Ranalli, and Principal Mr. Meredith in an assembly aroused students' enthusiasm for the magazine campaign.

Are they class bound?

What have you been doing?

## WE SEE OUR PAST YEAR'S LIFE

So this is secretarial work???????

"Work! Work! Work! Will we ever meet our deadline?"

Procrastination?

## UNFOLD BEFORE US

The magazine campaign prizes are handled lovingly.

Students made good use of our new library.

Everyone reads the Midtowner (including the editors)!

# FOREWORD

Growth in any endeavor requires effort. Satisfaction results from the realization of an achieved goal. Each new accomplishment marks a niche in the path of progress. There is always another frontier for the person of vision.

Your education has just begun. A foundation has been laid for the building of a super-structure. Your future is in your own hands. As you attain objectives, your ambitions will multiply, your capacities will increase, your life will grow richer and fuller. But, in all your success remember to have an abiding faith in the eternal Master who is always present in time of need.

Middletown High School is proud of you, and will be just as great a friend as you will let it be. We of the faculty wish to be remembered by you, and to share in the honors and prestige which will continuously attend your efforts.

Keep ever uppermost in your mind that character is the most important attribute of a successful person. There is no equivalent for it; it can have no substitute.

James A. Johnson, Jr.  
Supervising Principal.

# DEDICATION

Mr. and Mrs. Rinehart  
relaxing in the teachers  
room.

Mr. Rinehart has been teaching at Middleton High School for five years. He has been the present senior class sponsor since their sophomore days. During these three years the class has learned to rely on Mr. Rinehart for his friendly help and guidance. In expressing their thanks the 1964 Cavalier Staff dedicates the 1964 Cavalier to Mr. Robert D. Rinehart for his tireless devotion in making our High School days, days to remember.

# ACTIVITIES

# HOMECOMING OF '64

On November 1 Sharyn Moore was crowned homecoming queen by Mr. William H. Brady on the Middletown football field. Also that evening the football team gained another victory by defeating the Georgetown Golden Knights.

Sharyn was chosen from three candidates. The other two were Linda Brady and

Sandi Slaughter. The attendants representing each high school class were Sally Shipley, junior; Ann Sheats, sophomore; and Carol Kabis, freshman.

That afternoon the Student Council sponsored the annual parade and the day's festivities in spite of the rain. Pictured is the queen's float.

# YEARBOOK QUEEN

## 1964

On November sixth, Harriet Webster succeeded Peggy Daniels as Yearbook Queen. Crowned at a gala dance, of which the theme was Halloween Hootenany, Harriet was presented with red roses.

Her attendants Sally Shipley, first runner-up, and Carol Tribbitt, second runner-up, led a dance.

Mr. West introduces the cast

"7 X M" is a full-length drama by Ernest Pendrell. This story centers around a young married couple struggling against increased pressures while Joey, the husband, also fights a personal battle for respect and dignity. Through humor and humanity the audience experiences how "big" most "little" people really are! Under the inspired direction of Ken West and assisted by an able stage crew, John Mabrey, Joanne Armstrong, and the entire cast gave an excellent performance.

Joey, planning to enter the police force, walks off his job at the factory as the astonished Mr. Cliff, Bob, and Nick look on.

The 1964 Cavalier Band had a busy year under the direction of Mr. Ranalli. It promoted school spirit by presenting new and exciting half-time shows at the football games. Despite the rainy weather the band added a cheerful note to the Homecoming Parade. The highlight of the Christmas program was the combined performance of the band and chorus. The band eagerly worked toward their annual spring concert. Participation by the band helped make Youth Day a success. As an expression of thanks for its good work, the band was taken on a trip to Washington and on a tour of the Naval Academy at Annapolis where it heard a rehearsal and performance by the United States Navy Band.

Middletown's trumpet player Robert Richardson made All State Band for two years.

FIRST ROW (left to right) Mary Garrett, Darlene Steiner, Ruthann Condon, Sarah McCafferty, and Deborah Leonard

The Midtowner was published five times during the year. Its success has been due to a very fine and loyal staff under two exceptionally capable editors, Alice Atkinson and Marilyn Wright; and an enthusiastic sponsor, Mr. Davis. The Science Club consists of boys who are taking Biology or who have taken the course. Affiliated with the National Science Clubs of America, the Middletown Chapter has for its primary purpose the broadening of knowledge about all living things.

The Club has won second place in the Homecoming Parade and has engaged in regular dissection of animals. Activity is divided so that sophomores dissect frogs, the juniors learn the anatomy of the dogfish, while the seniors are picking the bones of a mammal for skeletal preparations.

# MODEL CLUB

The Model Club is being sponsored by Mr. Bice this year. The boys of the club work on many different types of models, such as cars, boats, and planes. It is an interesting hobby for the boys of our school. The boys learn accuracy in the building, painting, and customizing of models.

C. Hugins, V. Pres.; B. Grau, Treas.; and C. Kwasmieski, Sec

The purpose of the Music Club will be performance participation, study, listening, and supporting Music and Music Programs otherwise impossible or limited in the regular school curriculum.

This may involve visiting local concerts sponsoring local Musical Events, and encouraging a growth of Music in the Community as well as within the school.

In the outset, the group will encompass all grades from 7 through 12 but as ideas emerge, interests grow, and goals are defined, a more specialized division of a junior and senior group may be advantageous

It is hoped that students who have sincere interests in music, either as a vocation or advocacy will consider these merits and benefits and will help the school and community grow musically.

# MHS VARSITY FOOTBALL '64 THE UNDEFEATABLES

Sheats hits hole while Walker (17) blocks.

Ken Branner glides in for TD.

Bailey scores to tie Denton 6-6.

The Cavaliers marched through another unbeaten season in 1963 with 9 victories. September 20 was the date of a 35-0 rout of Caesar Rodney. Bill Clark gave the Cavaliers a 14-0 first period lead scoring two touchdowns. McElwee, Saunders, and Sheats each scored in the first half. Saunders completed the scoring in the third period.

The Cavaliers came from behind to defeat the Smyrna Eagles. Smyrna took the opening kickoff and scored first. Middletown tied the score just before the half ended, carving a 48-yard drive capped by Bailey's TD. Smyrna regained the lead in the third period, but Clark intercepted a pass and streaked 52 yards to paydirt. Bailey ran for the extra point and a 14-13 edge. The final tally was added in the last quarter on Saunders' 15-yard sprint, posting our second win, 20-13. Middletown romped over Dover Air Force Base, 47-0. In addition to Saunders' 26 yard TD run the first time they had the ball, the Cavaliers also scored three other touchdowns in the first half. Clark and McElwee ran 55 and 89 yards for tallies, and combined for a 60-yard aerial score. Lewes High was buried under an avalanche of points, chiefly scored by Saunders who ran and caught for 19 of the 28 posted for Middletown while Lewes remained scoreless.

Laurel felt the Cavaliers' might as the Towners made it 14 straight wins, a home game that featured two Saunders' touchdowns, one a 94 -yard run. McElwee, Bailey, and Henderson also scored, and Wiley intercepted an enemy pass, which he converted into six markers. A jet engine masquerading as the Cavaliers ripped the Golden Knights of Georgetown to shreds in our Homecoming battle which was expected to be a close duel.

Scampering Saunders scores again!

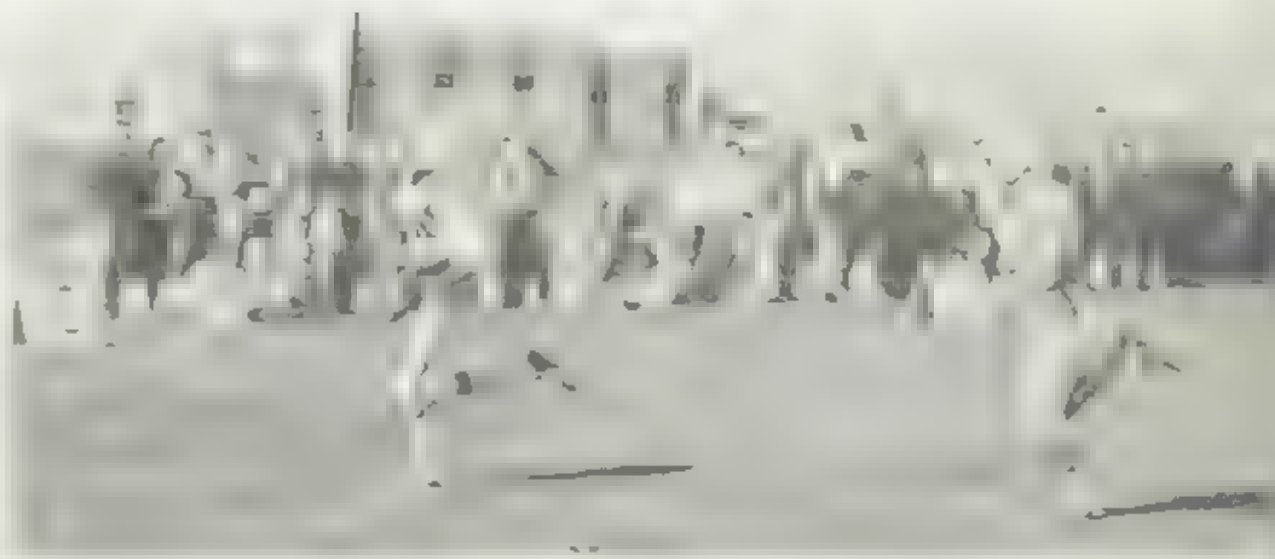

Co-captains, Clark (18) and Janucik (34)

McElwee avoids tackler to score.

Again Saunders led the way with three tallies, although closely followed by McElwee with two. Other MHS scores were made by Branner, Sheats, and Clark. The Cavaliers made it 7-0 when they handed Milford a 20-6 setback. Dave Bailey scored initially, and then Saunders and McElwee added the other two touchdowns. Denton High's stalwarts fell next on our home field, although Middletown was slow in starting. Bailey's touchdown and Clark's extra point regained the lead at 7-6, and the Middletowners were never headed as Saunders and Sheats garnered points almost at will to make the final score 40-6.

Dover capitulated to the Middletown "Machine", 42-6, in the season's finale to complete the second perfect string for MHS. McElwee ran 75 yards for the first TD. Ken Branner followed with a 17-yard dash to give the Cavaliers a 14-0 first quarter bulge. Sheats and Bailey scampered for scores and Branner and Saunders gathered in bombs from Clark for additional payloads. In appreciation for his work through the season, Coach Billings was carried from the field on the shoulders of the Middletown "Millionaires."

All eyes on Saunders as he tallies easily.

Sheats fumbles but "Cavaliers" still recover.

The 1963 Football Banquet honored the coaches and football players of Middletown's second undefeated team. "9-0" was oft repeated by illustrious speakers as they praised and advised our young athletes. "Present honors mean future responsibilities."

Clarence "Ace" Parker, main speaker, related personal experiences which illustrated, often humorously, how high school study and effort pay off in life's "big game." Team and individual honors were accorded not only Varsity and JV football teams but also Coaches, Cheerleaders, and Marching Band members.

Dear Readers:

In the Cavalier we have captured the spirit of MHS during this year's "180 day journey around our world"! Each individual has traveled alone through his high school years, but has also shared experiences with others. Class-work and extracurricular activities brought joy, sadness, and excitement, all forming a composite of experiences to mold and mature us in our Senior Year. Even this achievement creates new hopes and fears. With each year's graduation, Seniors must confidently face the beginning of their real journey through life.

The Staff sincerely wishes to thank the Administration and Faculty for their cooperation in the production of our yearbook. Many thanks are due to Mr. W. J. Lee and Mr. H. W. Willis for their many hours spent in directing our efforts, and also to Mr. Ray Mitchell of the Delmar Studios, who was always at our "beck and call" to alleviate our problems. Finally, our gratitude is extended to the entire community for the success of the 1964 Cavalier.

CAVALIERS, GOODBYE!  
SEE YOU IN '65!

When we go  
around  
our world  
again  
"in 180 days"!
